

SERVICE DAY VOLUNTEER OPPORTUNITIES

FUTURE WEEKS ACTIVITIES

We are seeking to encourage as many activities as possible. The Commission is asking interested participants to inform the Commission as soon as a service plan is developed, with the number of volunteer limits or requirements, and we will post this on our web site.

Some ideas:

- Planting trees
- Cleaning up of public walkways and areas
- Activities with senior center
- Collecting food supplies and other food bank activities
- Helping with Habitat For Humanity
- Collecting toys and clothes for the needy

Please submit the following information to the point of contact listed below:

- Participant's name
- Date, place and duration of service (Please note if service hours are needed for Howard County Schools)
- Description of activity performed

If Scout groups are participating, we note that <http://www.goodturnforamerica.org/> is a site where the unit(s) can be listed; describing what was done, number of hours, etc. This site also has a number of other service ideas.
