

HOME CARE REGISTRY 2009 - Agencies

Certified Home Health Agencies provide a wide range of professional and professionally supervised services which may include: skilled nursing care, physical and occupational therapy, social work, homemaker and home health aide service, companion service, hospice care and laboratory services. To help you make an informed decision, Medicare provides quality of care information for all Medicare-certified home health agencies.

For this information, visit: www.medicare.gov (select Home Health Compare) or call 1-800-633-4227.
