## **Police Identify Driver Involved in Fatal Crash** *Media Coverage Provided Vital Lead in Case*

Howard County police have confirmed the identity of a man driving a white van Oct. 13 that may have contributed to a fatal crash.

Police asked the public for help to identify the van and its driver. A citizen who saw the story in the local media called police with the van's license plate number. Investigators contacted the driver, who is not being identified publicly at this time, and are working to determine the circumstances surrounding the crash.

Once the investigation is complete, police will consult with the state's attorney's office to determine what charges, if any, may be appropriate.
