Vice and Narcotics Operation Nets 12 Arrests

The Howard County Police Department conducted a vice and narcotics operation Dec. 6-8 that resulted in 12 arrests. The operation was launched after police received complaints from citizens about drug dealing and prostitution in Jessup.

The department used undercover detectives and surveillance teams to make the arrests over the three night sweep. Eleven suspects were charged with selling drugs and one was charged with soliciting an undercover police officer for sex.

Police recovered various amounts of crack cocaine, PCP, marijuana and one handgun. They also seized two vehicles and recovered \$6,800 that was being used for the sale and distribution of illegal drugs.

Detectives say that this operation was designed to alert criminals that illegal activities will not be tolerated in Howard County. More operations of this type will be conducted in the future.

The operation was conducted by members of the Howard County Vice and Narcotics Division and the Southern District Special Assignment Squad.
