Police to Conduct Sobriety Checkpoint

In an effort to promote awareness and reduce the number of alcohol-impaired drivers on the roads, the Howard County Police Department will be conducting a sobriety checkpoint during the weekend of Dec. 9-11 at an undisclosed location. Police are urging citizens to plan ahead by either refraining from drinking alcohol when their plans include driving or by designating a sober driver.

The goal of the Howard County Police Department is to promote awareness about the dangers of drinking and driving, reduce the number of citizens choosing to drive after consuming alcohol and protect the citizens from drunk drivers on county roadways.

Please remember to drink responsibly, drive safely and always wear your seatbelt!
