MEDIA RELEASE

Truck Drives Off Roadway & Overturns

The Traffic Enforcement Section is investigating a fatal motor vehicle collision that occurred on Route 32 north of West Linden Church Road. The operator and sole occupant in the single vehicle collision was identified on the scene as Travis Wayne Feaga of the 800 block of Driver Road, Marriottsville, MD.

Mr. Feaga was operating his 2000 Ford Ranger Pick-up truck traveling southbound on Route 32 when he lost control of his vehicle and drove off the roadway into the trees. The vehicle traveled over 230 feet before it overturned.

Howard County Fire Services pronounced Feaga dead on the scene.

The preliminary investigation reveals that speed is a factor in the collision, which is still under investigation by Officer Brandon Justice of the Traffic Enforcement Section.
