

JOIN US FOR A

Caregiver Educational Series in Howard County

Want to learn more about dementia?

Join us for interactive discussions led by Dr. Tabassum Majid, Director of Research at the Integrace Institute at Copper Ridge. Each session will provide evidence-based, practical information to help you better understand and navigate what it means to live with, or love and support someone who is living with dementia.

APRIL 12	The Basics of Dementia
MAY 10	Decision Making and Preferences in Care
JUNE 14	Living with Mild Cognitive Impairment (MCI) <i>includes a panel discussion</i>
JULY 12	What's New in Treatments and Research

Attend one or all sessions

6:30 - 7:30 p.m. | FREE

Ellicott City 50+ Center, 9401 Frederick Road, Ellicott City, MD 21042

Refreshments will be provided

Speaker: Dr. Tabassum Majid, PhD, Director of Research with the Integrace Institute at Copper Ridge

RSVP: Kathy Wehr, 410-313-5955 or kwehr@howardcountymd.gov

If you need this information in an alternate format or need accommodations to attend, call Maryland Access Point at 410-313-1234 (voice/relay) at least one week in advance.
