

The OTHER Talk

Starting the Conversation and Offering Resources About
Health ● Legal ● Financial ● End-of-Life Concerns

A discussion and resource program that helps one take control of important issues so, when the time comes, family members and/or caregivers understand your concerns, are knowledgeable about your personal decisions and can easily carry out your wishes.

Discover and Learn:

- **WHY** this is such an important topic;
- **HOW** to start the conversation; and
- **WHAT** are the most relevant issues to discuss
