

FREE Technology Classes!

Howard County Office on Aging and Independence is partnering with Senior Planet from AARP to help older adults use technology to learn new skills, save money, access healthcare, make new friends, and much more.

Classes are hosted in our Howard County 50+ Centers, Rec & Parks Centers, Library Branches, Independent Living Facilities & more.

Our programs cover popular digital basics topics like:

Getting to Know Your Smartphone

Saving Money with Tech

Telehealth

Smart Technology & Streaming Services

Protecting Your Privacy Online

Social Media Introduction & Tips

... and many MORE!
