Dear Alpha Ridge Landfill Customer:

With the outbreak of COVID-19, Howard County Government has been working to make the annual permit application process and the landfill billing process electronic.

Attached please find the (1) Fiscal Year 2021 Permit Application (2) Fiscal Year 2021 Landfill Rules and Regulations and (3) Fiscal Year 2021 Fee Schedule. Please note that the County Fiscal Year runs from July 1 through June 30.

Please complete, sign and date the permit application. When complete, email the permit application to:
landfillpermits@howardcountymd.gov

If you do not have email access, you can drop the completed permit application in the mailbox located near the scalehouse at the landfill (**DO NOT** include payment with the form). If you drop your permit application in the mailbox, please leave five business days for the County to process your application prior to coming to the landfill to drop off material.

Permit fees will be added to your monthly bill and permit stickers will be attached to your vehicles when each vehicle is used to bring materials to the landfill.

We thank you for your patience.

Sincerely,

Howard County DPW – Bureau of Environmental Services
