2020 Senior Tax Credit Application – Deadline: September 1, 2020 Guide to the Application Process

Howard County provides a credit for the real property tax bill for homeowners 65 or older who qualify based on gross household income. Since eligibility for the program is based upon income, it may be convenient for you to complete this form at the same time you prepare your federal income tax returns. Applications are processed by the Howard County Department of Finance Tax Credit Section.

The amount of credit equals 25% of the County property tax due in the current year after applying the Homestead Credit. The amount credit is calculated after all other allowable credits granted for the property are applied. You **MAY NOT** receive an Aging in Place Tax Credit and a Senior Tax Credit in the same tax year.

Qualified applicants automatically receive trash, bay, and watershed credit.

Eligibility Requirements

- You **MUST** be at least 65 years of age as of June 30, 2020.
- The property for which the credit is sought must be your principal residence (determined by the MD Department of Assessments and Taxation) and where you expect to reside for more than 6 months of the tax year, including July 1, 2020. An individual unable to reside in their principal residence for reasons of illness, special care needs, or due to a recent home purchase meet the residency requirement. An individual who permits, pursuant to a court order or separation agreement, a spouse, former spouse or children of that person's family to reside in a dwelling in which the individual has a legal interest also meets the residency requirement.
- Your combined gross household income does not exceed **\$86,200** for the 2019 calendar year.
- Your combined household net worth does not exceed **\$500,000** as of December 31, 2019. This does not include your principal residence

You must have legal interest in the property. Land installment sales contract purchasers, holders of a life estate, and beneficiaries of certain trusts have sufficient legal interest. A homeowner may claim credit for only one principal residence.

We encourage you to apply by May 1, 2020. However, you should not expect to receive the Senior Tax credit on the July 1, 2020 bill. You are advised to pay the tax bill as shown if you wish to receive the discount for early payment offered by Howard County.

Definitions

COMBINED GROSS INCOME (ITEM # 18)

For the Senior Tax Credit program, the applicant must report **total income**, which means the combined **gross** household income, for the 2019 calendar year, before any tax exemptions or deductions are taken. Gross income includes non-taxable income. Income information must be reported for the applicant, spouse or co-owner and all other occupants of the dwelling unless such other occupants were claimed as dependents on the applicant's federal income tax return or unless they are paying reasonable fixed charges, such as rent or room and board. Payment of household expenses by other occupants should be reported as room and board. All gifts over \$300 and expenses paid on your behalf by others must be reported as income. Deductions for IRAs, Keoghs, or Deferred Compensation may not be used to reduce the amount of gross income reported.

Gross Income **does not** include:

1. Income tax refunds received from the state or federal government.
2. Any loss from business, rental, capital gain, or other endeavor.

COPY OF COMPLETE FEDERAL RETURN

If you file a federal income tax return for 2019, you must submit a photocopy of your complete federal return, including all accompanying schedules and other forms, with the application. If income was derived from a partnership or corporation, a copy of the partnership return (Form 1065 AND Schedule K-1) and/or a copy of the corporate return (Form 1120/1120S AND Schedule K-1) must also be included. If separate returns were filed by spouses, a copy from each spouse must be included. Do not include a copy of the Maryland state tax return in your application. **Failure to submit a complete and exact copy of the federal income tax return (if required to file) will delay the processing of your application.**
