## **PROGRAM SUMMARY**

Welcome to the MIHU Monthly Report. The report is posted monthly on the County website at [www.howardcountymd.gov](http://www.howardcountymd.gov) (click on “Departments – Housing and Community Development”).

The MIHU Program is an inclusionary zoning program that requires developers of new housing in specific zoning districts to sell or rent a portion of the dwelling units to households of moderate income. MIHUs are sold or rented through Howard County Housing at affordable prices and rents. MIHUs are interspersed throughout each development and residents enjoy all of the amenities in the community.

A household of moderate income is defined as one whose household income does not exceed 80% of the Howard County median income for purchasers and 60% of the Howard County median income for renters. The Howard County median income for 2017 is \$110,892. All types of dwelling units are available for purchase or rent, from apartment-style dwellings and condominiums, to townhouses and single-family detached dwellings. The purchase price and rental rate for each type of MIHU is calculated according to an affordability formula established by the MIHU regulations. MIHU prices are set twice a year. Applications for the program can be obtained during open enrollment periods at the Howard County Housing office, by calling (410) 313-6318 or online at [www.howardcountymd.gov/MIHU](http://www.howardcountymd.gov/MIHU). Rental applications are accepted year-round on a first-come, first-serve basis at the rental communities that offer MIHU apartments. Visit our website for a list of participating rental communities.

As of July 1, 2017, new MIHU pricing and standards are in effect. New MIHU Pricing and Standards have been posted publicly and are also available by contacting the office or by visiting our website: <http://www.howardcountymd.gov/mihudevelopers.htm>. Rental rates and rental community contact information is also available by phone, email and on the department website.

In August, DHCD participated in New Teacher Orientation for Howard County Public School System (HCPSS). This annual 2-day event orients new teachers and support staff to the HCPSS and provides a wealth of information and resources to assist those transferring into the county. The goal is to provide new hires with a successful onboarding experience and transition. This opportunity provided a platform to disseminate and discuss the MIHU Homeownership and Rental programs for income eligible candidates, as well as an opportunity to discuss other DHCD programs for those with incomes that exceed MIHU income eligibility standards. It is estimated that more than three hundred HCPSS employees were in attendance.

It is anticipated that more than 50 MIHU homes may be awarded for calendar year 2017. Additional MIHU information is available by phone, website or by emailing [lwiseman@howardcountymd.gov](mailto:lwiseman@howardcountymd.gov).

## **MIHU RELEASE**

The Department has released 11 MIHUs from the program since November 2016. The volume of new unit offerings from multiple communities at the same time was greater than the number of income eligible applicants in the database. Prior to the separation in July 2016, the Housing Commission would purchase the units for the Department to provide more time to sell them to eligible MIHU households. This is no longer a viable option. At the end of the 120-day priority period, the Department must release unsold units to the builder as market rate sales. The builder is required to split the net proceeds from any released MIHU sale 50/50 with the County. The Department continues to update the database and market the program to area employers to increase the number of income eligible applicants in the MIHU database.

Previous MIHU release activity (only communities with release activity are shown here):

## **FEE-IN-LIEU**

One method of alternative compliance is a fee-in-lieu option. Developers of single family, detached dwellings may pay a fee-in-lieu instead of providing MIHUs in the following zoning districts: RC, RR, R-ED, R-20, R-12, and R-SC. Developers of age-restricted, planned senior communities, single family attached dwellings in R-H- ED and mixed use developments in MXD are also eligible for the fee-in-lieu option. Developers contact the Department for an MIHU agreement when they receive a Technically Complete letter from Planning and Zoning.

The County's Office of Inspections, Licenses and Permits will collect the fee in lieu. The Department is tracking this information to comply with the legislation's reporting requirements and to determine potential revenue for affordable housing units and programs. The Department has signed fee in lieu agreements with 38 developers for 301 units through 8/31/17. The FY18 budget spending authority for the fee-in-lieu revenue is \$500,000
