

FFY2017 Application for Funding Community Development Block Grant (CDBG)

Program Description

The Community Development Block Grant (CDBG) Entitlement Program provides annual grants on a formula basis to entitled cities and counties to develop viable urban communities by providing decent housing and suitable living environment, and by expanding economic opportunities, principally for low-and moderate-income persons.

Local goals and objectives; and funding priorities may be directed towards both housing and non-housing community development activities which address one or more of the following national objectives:

- (1) benefit low- and moderate-income persons;
- (2) aid in the prevention or elimination of slums or blight;
- (3) carry out activities that meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and where other financial resources are not available to meet such needs.

CDBG funds may not be used for activities which do not meet these broad national objectives.

Eligible Activities

For FFY2017, the Howard County Community Development Block Grant Program will provide funding for the following eligible activities:

- I. acquisition and rehabilitation of residential structures when used for the purpose of providing decent, safe and affordable housing opportunities for low-mod income households
- II. housing counseling services
- III. fair housing activities
- IV. public service activities which focus on economic self-sufficiency through financial literacy, job training, and workforce development
- V. special economic development activities carried out by a qualified Community – Based Development Organization (CBDO). (Please see page 11 for the CBDO definition and Checklist for a qualifying as a CBDO).
- VI. public facilities and improvements

SECTION A: Project Summary (20 pts.)

(Narrative responses for this section may not exceed 4 pages)

Proposed CDBG eligible activity: (Check only one)

- Acquisition of Real Property**
- Rehabilitation of Residential and Non-residential Structures**
- Limited Public Services**
- Special Economic Development Activity**
- Fair Housing**
- Housing Services**

- A.1** Provide a clear and concise overview of the proposed project, highlighting the specific community need(s) that the project will address and how the project will benefit low and moderate-income persons.
- A.2** Briefly describe any sub-populations that are to be served by this project, (i.e. homeless, veterans, etc.) including characteristics such as age, gender, ethnicity and income levels; the estimated number to be served and what outcomes can be expected as a result of implementing the proposed project.
- A.3** Select one of the following HUD Objectives and one corresponding Outcome that most appropriately reflects the impact of the proposed activity:

OBJECTIVES

- Suitable Living Environment** - In general, this objective relates to activities that are designed to benefit communities, families, or individuals by addressing issues in their living environment.
- Decent Affordable Housing** - This objective focuses on housing programs where the purpose of the program is to meet individual family or community needs and not programs where housing is an element of a larger effort (such as would be captured under Suitable Living Environment).
- Creating Economic Opportunity** - This objective applies to the types of activities related to economic development, commercial revitalization, or job creation.

OUTCOMES

- Availability/Accessibility** - This outcome category applies to activities that make services, infrastructure, housing, or shelter available or accessible to low-and moderate-income people, including persons with disabilities. In this category, accessibility does not refer only to physical barriers, but also to making the affordable basics of daily living available and accessible to low- and moderate-income people.

- Affordability - This outcome category applies to activities that provide affordability in a variety of ways in the lives of low-and moderate-income people. It can include the creation or maintenance of affordable housing, basic infrastructure hook-ups, or services such as transportation or day care.
- Sustainability - Promoting Livable or Viable Communities. This outcome applies to projects where the activity or activities are aimed at improving communities or neighborhoods, helping to make them livable or viable by providing benefit to persons of low-and moderate-income people or by removing or eliminating slums or blighted areas, through multiple activities or services that sustain communities or neighborhoods.

A.4 Describe how your organization will coordinate the activities of the proposed project with existing services/programs within the community.

SECTION B: Organizational Capacity / Qualifications (20 pts.)

(Narrative responses for this section may not exceed 2 pages)

- B.1** Provide a brief summary of the organization's history, mission and goals, followed by organizational strengths and recent accomplishments.
- B.2** Describe the organizations current staffing structure (identifying key staff and expertise) and provide detailed information demonstrating the organization's and staff's ability to successfully implement the proposed project. Identify all staff who maintain professional licenses, certifications or other credentials that are necessary to ensure the successful implementation of the project.
- B.3** Briefly describe the role of the Board and any volunteers in the implementation of the proposed project.

SECTION C: Performance and Evaluation (35 pts.)

(Narrative responses for this section may not exceed 3 pages)

- C.1** Describe in detail how the project will be implemented, identifying specific activities in chronological sequence and the projected timeframe for completing the project. If there are other organizations that will act as partners during the implementation, describe their role(s).
- C.2** Identify the specific population (children, seniors, homeless, etc.) and the projected number of persons / households to be served during each quarter of FFY2017. Describe in detail the types of service(s) and or programs that will be provided and briefly discuss the qualitative outcomes that are expected and the impact on the identified population.

- C.3** Describe the method(s) and tools that will be used to collect data, measure performance (both quantifiable and qualitative) and calculate income eligibility demonstrating that project beneficiaries are low- and moderate-income persons.
- C.4** Who will be responsible for measuring performance against projected outcomes and describe their role in the overall implementation of the project? How frequently will performance be measured?
- C.5** Discuss in detail the long-term impact that the proposed project will have on the community and outline at least two (2) specific strategies that will be used to ensure the projects future sustainability with or without CDBG funding.

SECTION D: Project Budget (25 pts.)

(Narrative responses for this section may not exceed 3 pages)

- D.1** Provide a narrative description of the proposed use of CDBG funds.
- D.2** Provide a completed Sources & Uses of Funds Chart for the proposed project.
- D.3** If applicable, provide a brief description of all in-kind contributions (cash and non-cash) that will support the proposed project/activity.
- D.4** What is your organization's strategy for addressing potential funding shortfalls?
- D.5** Are there other funding applications pending or anticipated to be submitted that if rejected, would prevent the proposed project from being implemented? If so, please explain.
- D.6** Complete the attached Line Item Budget for the proposed project.

*******Notes for Completing the Budget Page*******

1. For all non-capital projects/activities, no more than 55% of the total project budget may be represented as CDBG funds.
2. Any salary budgeted as 100% CDBG must reflect a position that is exclusive to the CDBG-funded program/activity.
