Howard County

**HCHC RFP No. 01-10-2016**

**Request for Proposals  
for  
Pervious Driveway Replacement**

**Questions and Answers**

1. Will you be needing Pervious Concrete for your paving for this project or will it be asphalt?
  - A. The installation must be pervious. As stated in Section 4 of the RFP, the Commission seeks to install Aqua Roc II permeable stone pavers or a similar product.
