## **PROGRAM SUMMARY**

Welcome to the MIHU Monthly Report. The report is posted monthly on the County website at [www.howardcountymd.gov](http://www.howardcountymd.gov) (click on “Departments – Housing and Community Development”).

The MIHU Program is an inclusionary zoning program that requires developers of new housing in specific zoning districts to sell or rent a portion of the dwelling units to households of moderate income. MIHUs are sold or rented through Howard County Housing at affordable prices and rents. MIHUs are interspersed throughout each development and residents enjoy all of the amenities in the community.

A household of moderate income is defined as one whose household income does not exceed 80% of the Howard County median income for purchasers and 60% of the Howard County median income for renters. The Howard County median income for 2016 is \$107,490. All types of dwelling units are available for purchase or rent, from apartment-style dwellings and condominiums, to townhouses and single-family detached dwellings. The purchase price and rental rate for each type of MIHU is calculated according to an affordability formula established by the MIHU regulations. MIHU prices are set twice a year. Applications for the program can be obtained during open enrollment periods at the Howard County Housing office, by calling (410) 313-6318, option 4, or online at [www.howardcountymd.gov/MIHU](http://www.howardcountymd.gov/MIHU). Rental applications are accepted year round on a first-come, first-serve basis at the rental communities that offer MIHU apartments. Visit our website for a list of participating rental communities.

MIHU pricing and standards changed on January 1, 2016. The new pricing schedules are available on housing’s website at <http://www.howardcountymd.gov/mihudevelopers.htm>.

January was an open enrollment month for the MIHU homeownership program and 73 new applications were received. An MIHU information workshop was presented to 50 people on January 21, 2016, at the Columbia Gateway building. Some of those in attendance indicated that they were employed by Howard County Public Schools, Howard Community College, and other Howard County government offices. A second MIHU workshop was held on January 20<sup>th</sup> at Howard Community College and 15 college employees attended. The MIHU workshop scheduled for January 25<sup>th</sup> at the Lennar Homes community of Oxford Square in Hanover was cancelled due to inclement weather, but has been rescheduled for March 7<sup>th</sup>. Staff will present the MIHU workshop throughout the year as we continue to focus our marketing efforts on employers and employees in the County.

Plans are underway for the 10<sup>th</sup> Annual Come Home to Howard County Housing Fair. The fair will be held on Saturday, April 9, 2016, at Howard High School. Exhibitor registration closes in February. The website has been updated with all of the details and can be accessed at [www.comehometohowardcounty.com](http://www.comehometohowardcounty.com).

## MIHU HOMEOWNERSHIP

Oxford Square - Amendment to the existing MIHU agreements are pending review. The builder wants to relocate some of the MIHU lots to model types that are better suited for MIHU buyers.

## MIHU RENTALS

Rental MIHUs are currently offered at Alta at Regency Crest (Ellicott City, age-restricted), Ashbury Courts (Laurel), Belmont Station (Elkridge), Millers Grant (Ellicott City), Mission Place (Jessup), Orchard Meadows (Ellicott City), Orchard Park (Ellicott City), Penniman Park (Elkridge) and Woodfield Oxford Square (Hanover). Because the area median income decreased in 2016, the MIHU rents also decreased. The table below has been updated to reflect the changes. MIHU rental applications are available year round and offered on a first come, first serve basis at participating communities.

Miller's Grant, a continuing care community for residents age 62 or better, is nearing completion and accepting rental applications for apartments that should be ready for occupancy in February 2016. For more information, applicants can call (877)800-7151 or visit [www.millersgrant.org](http://www.millersgrant.org).

## MIHU RELEASE

The MIHU regulations offer developers the options for alternative methods of program compliance. Council Bills 34 and 35 defined alternative methods of compliance so developers and builders can make decisions about their projects in advance of the site development process. Allowing alternative methods of compliance can help the Department keep units in the program rather than releasing them at a later time.

## FEE-IN-LIEU

One method of alternative compliance is a fee-in-lieu option. Developers of single family, detached dwellings may pay a fee-in-lieu instead of providing MIHUs in the following zoning districts: RC, RR, R-ED, R-20, R-12, and R-SC. Developers of age-restricted, planned senior communities, single family attached dwellings in R-H-ED and mixed use developments in MXD are also eligible for the fee-in-lieu option. Developers are instructed to contact Housing for an MIHU agreement when they receive a Technically Complete letter from Planning and Zoning. The fee-in-lieu for each project must be paid before the first use and occupancy permit is issued.

The County prepared and executed fee in lieu agreements with 26 developers for a total of 273 new units in 2015. The County's Office of Inspections, Licenses and Permits will collect the fee in lieu with building permit applications. The Department is tracking this information to comply with the legislation's reporting requirements and to determine potential revenue for future projects. An annual report of fee-in-lieu revenue and expenditures is required per Section 13.402C.3.8 of the County Code and will be provided to the County Council in February.
