PROGRAM SUMMARY

Welcome to the MIHU Monthly Report. The report is posted monthly on the County website at www.howardcountymd.gov (click on “Departments – Housing and Community Development”).

The MIHU Program is an inclusionary zoning program that requires developers of new housing in specific zoning districts to sell or rent a portion of the dwelling units to households of moderate income. MIHUs are sold or rented through Howard County Housing at affordable prices and rents. MIHUs are interspersed throughout each development and residents enjoy all of the amenities in the community.

A household of moderate income is defined as one whose household income does not exceed 80% of the Howard County median income for purchasers and 60% of the Howard County median income for renters. The Howard County median income for 2017 is \$110,892. All types of dwelling units are available for purchase or rent, from apartment-style dwellings and condominiums, to townhouses and single-family detached dwellings. The purchase price and rental rate for each type of MIHU is calculated according to an affordability formula established by the MIHU regulations. MIHU prices are set twice a year. Applications for the program can be obtained during open enrollment periods at the Howard County Housing office, by calling (410) 313-6318 or online at www.howardcountymd.gov/MIHU. Rental applications are accepted year-round on a first-come, first-serve basis at the rental communities that offer MIHU apartments. Visit our website for a list of participating rental communities.

MIHU pricing and standards changed on January 1, 2017. New rental rates apply to units leased from January 1 through June 30, 2017. New rental rates and rental community contact information is available by phone, mail, email and on the website. The new pricing schedules are available on housing’s website at <http://www.howardcountymd.gov/mihudevelopers.htm>.

April is the next open enrollment month for the MIHU Homeownership program. The MIHU Renter Workshop is scheduled for April 19, 2017, at the Columbia Gateway building. The MIHU Homebuyer Workshop is scheduled for April 20, 2017, at the George Howard building. Staff is also planning to present the MIHU workshop as part of a “Live Near Your Work” Lunch and Learn session on April 20th at 12 pm at the George Howard building. County Employees are encouraged to attend and find about programs and incentives to live and work in Howard County. To pre-register for future workshops, potential applicants may send an email to lwiseman@howardcountymd.gov).

The next class of Making Change started at the end of February. The Money Matters Financial Workshop series helps credit challenged applicants move one step closer to homeownership. The participants are making progress and the credit counselors are doing a great job meeting the program goals. We hope to repeat this class at least one more time before July 1.
