PROGRAM SUMMARY

Welcome to the MIHU Monthly Report. The report is posted monthly on the County website at www.howardcountymd.gov (click on “Departments – Housing and Community Development”).

The MIHU Program is an inclusionary zoning program that requires developers of new housing in specific zoning districts to sell or rent a portion of the dwelling units to households of moderate income. MIHUs are sold or rented through Howard County Housing at affordable prices and rents. MIHUs are interspersed throughout each development and residents enjoy all the amenities in the community.

A household of moderate income is defined as one whose household income does not exceed 80% of the Howard County median income for purchasers and 60% of the Howard County median income for renters. The Howard County median income for 2018 is \$120,941. All types of dwelling units are available for purchase or rent, from apartment-style dwellings and condominiums, to townhouses and single-family detached dwellings. The purchase price and rental rate for each type of MIHU is calculated according to an affordability formula established by the MIHU regulations. MIHU prices are set twice a year. Applications for the program can be obtained during open enrollment periods at the Howard County Housing office, by calling (410) 313-6318 or online at www.howardcountymd.gov/MIHU. Rental applications are accepted year-round on a first-come, first-serve basis at the rental communities that offer MIHU apartments. Visit our website for a list of participating rental communities.

As of July 1, 2018, new MIHU pricing and standards are in effect. Current MIHU Homeownership Pricing and Standards have been posted publicly and are also available by contacting the office or by visiting our website: <http://www.howardcountymd.gov/mihudevelopers.htm>. Rental rates and rental community contact information is also available by phone, email and on the department website.

October was an open enrollment month. A total of 55 online and paper applications were received and 59 persons attended three MIHU Homeownership and Rental workshops. Staff participated in the annual 50 Plus Expo on October 19th at Wilde Lake High School. After repeated requests to the County’s HR department, DHCD staff was allowed to disseminate MIHU information to County employees following their new hire orientation. Going forward, information will be disseminated following each orientation session.

This month, DCHD welcomed a new member to the MIHU team. The new addition to the team will allow current staff opportunities for targeted marketing and outreach efforts, time to devise a more efficient award process and time to make updates to the website, marketing materials, and policy.

Lastly, three homes were sold in the Oxford Square, Shipley’s Grant and Waverly Grove communities this month. The new MIHU report format was updated with condensed reports on pages 4 and 5. We welcome feedback and comments.

Additional MIHU information is available by phone, on the website or by emailing Lisa Wiseman at lwiseman@howardcountymd.gov.

TRACKING – RESALES and RELEASES

MIHU homes are perpetually affordable. In other words, once the units are designated as MIHUs, they remain in the program in perpetuity. When a builder requests a priority period for new MIHUs, the Department has 120 days to find eligible buyers to purchase the MIHUs. In the event the Department does not provide an eligible buyer within the priority period, the unit is released to the builder to be sold at market rate. When units are sold at market rate as a non-MIHU, the builder is required to split the net proceeds with the County 50/50. Upon receipt of the net proceeds, the department will execute a release of the unit from the program.

A similar process occurs for MIHU resales. When an MIHU homeowner contacts the Department to request a resale price, a 120-day priority period begins to find an eligible buyer for the home. If the home is not awarded within the priority period, the homeowner may sell the home at market rate as a non-MIHU and split their net proceeds with the County 50/50.

The Department continues to update the database and increase marketing efforts to identify income eligible, mortgage ready candidates. No units have been released in 2018.

MIHU FEE IN LIEU

One method of alternative compliance is a fee-in-lieu option. Developers of single family, detached dwellings may pay a fee-in-lieu instead of providing MIHUs in the following zoning districts: RC, RR, R-ED, R-20, R-12, and R-SC. Developers of age-restricted, planned senior communities, single family attached dwellings in R-H-ED and mixed use developments in MXD are also eligible for the fee-in-lieu option. Developers contact the Department for an MIHU agreement when they receive a Technically Complete letter from Planning and Zoning.

The County's Office of Inspections, Licenses and Permits will collect the fee in lieu. The Department is tracking this information to comply with the legislation's reporting requirements and to determine potential revenue for affordable housing units and programs. The Department has signed fee in lieu agreements for 247 units in 20 developments through October 2018. The FY19 budget spending authority for the fee-in-lieu revenue is \$1,000,000.
