

This list provides the contact information for some of the affordable rental communities located in Howard County. Each community has its own application process and approval standards. The method for determining rents may vary by property, but in all cases the assistance is directly connected to the unit and cannot be transferred when a tenant moves to another rental community. You must contact or visit each community to submit an application. Submitting an application to one of these communities does not impact the amount of time an applicant remains on any of Howard County Housing's waiting lists.
