SUBJECT: Serology Testing Second Reminder

DATE: December 11, 2020

This communication was sent via global email to all Howard County employees on Friday, December 11, 2020 at 2:53 p.m.

Dear Colleagues,

This is a reminder of your opportunity to participate in the COVID-19 serology testing that will determine the presence of antibodies to COVID-19. Testing opportunities are available for County employees through **Monday, December 14, 2020**. The test is completely voluntary, and you will not be charged for the test. Test results will not be disclosed to anyone in County government. The County will receive anonymous aggregate data specifically, the total of positive and negative test results.

Testing is available at any Quest Diagnostic site in Maryland. You can obtain an appointment to be tested at one of the Quest Diagnostic locations by signing up here. Appointments are only available through Monday, December 14, 2020. Please work with your direct supervisor if you need to get tested during work hours.

If you have any questions regarding the patient portal or registering with Quest, please call the MyQuest Support Line at (877) 291-7521. For all other questions, please call (410) 313-2013.

Thank you.
