

## Addendum 2 – Long Reach Village Center RFP

**Addendum 2: Addresses the following two topics for the Redevelopment of the Long Reach Village Center at 8775 Cloudleap Court, Columbia, MD (the “Property”):**

- 1. Page Limit and Use of Appendices in Proposal Response; and,**
- 2. Opportunity to Tour the Property prior to March 1<sup>st</sup>**

**Issued: February 15, 2017**

1. In the Request for Proposal (RFP) in ***Section VIII. Required Submission Information*** on page 16 it states that “A complete response is limited to no more than 25 pages.” Respondents may use Appendices in their proposals to include documents such as team resumes, team organizational charts, etc. to support their main response to the RFP. These pages in the Appendices will not be included in the page limit. However, materials in the Appendices should be relevant and further clarify a response and should not include general marketing materials of the respondents.
2. If representatives of a firm or team are interested in touring the Property prior to March 1<sup>st</sup> (i.e. gain access to County-owned space), please contact Patti Restrepo of Chartwell at the following email: [patricia.restrepo@chartwellenterprises.com](mailto:patricia.restrepo@chartwellenterprises.com) to coordinate a day/time to meet with a County Facilities representative at the Property.
