

## Search Development Plans - Tutorial

1. Open the Howard County data download and viewer page: <https://data.howardcountymd.gov/>
2. Click on “Map and Data Tools.”

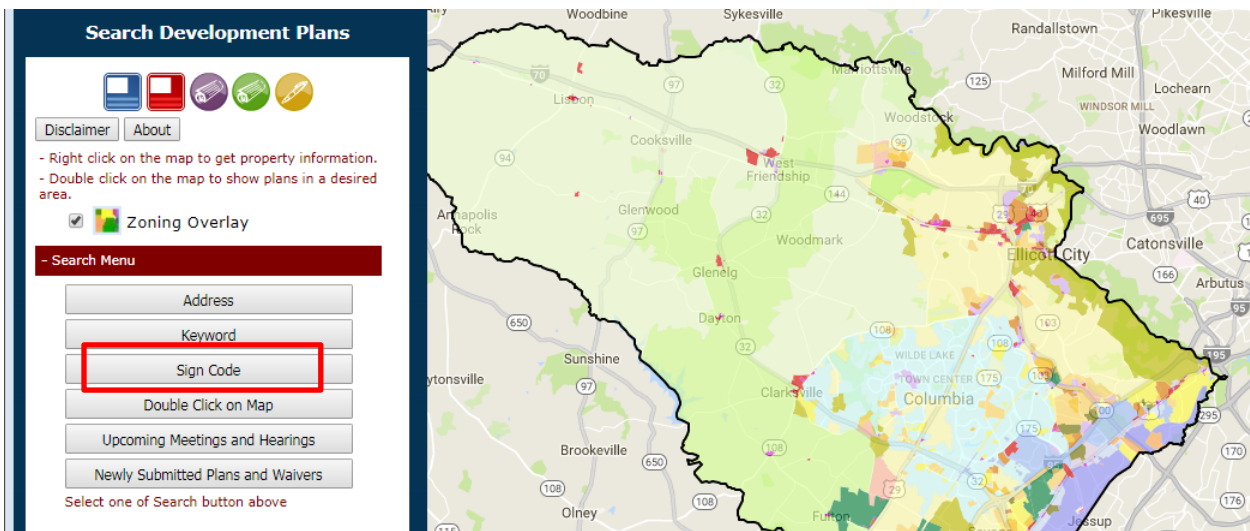

3. Scroll down to the “Development Plans + Public Meetings Map” and click on “Link to Website”

4. This map allows you to search for development plans, waivers, upcoming meetings and hearings in a variety of ways and find out key information. Read the disclaimer and click on “I Agree.”
5. In the search menu, click on the “Sign Code” button.

6. Input the sign code P06 for the fiscal year 2018.  
Sign codes are always 3 characters - a letter that corresponds to the type of public hearing or type of development requiring a presubmission community meeting, followed by two numbers.

Public Hearing Notice:

B 01-99: Board of Appeals

D 01-99: Administrative Adjustments, Temporary Uses, Non-Conforming Uses

H 01-99: Hearing Examiner

P 01-99: Planning Board

Z 01-99: Zoning Board

Presubmission Community Meeting:

C 01-99: Conditional Use

R 01-99: Residential Development

M 01-99: Zoning Map Amendment Request

N 01-99: Non-Residential Development

V 01-99: Columbia Village Redevelopment

T 01-99: Downtown Columbia

7. Click on the Public Hearing Notice to view more information.

The screenshot shows a web application interface with a search menu. The search menu is titled '+ Search Menu' and contains a section for 'Search By Sign Code'. Below this section, there are three dropdown menus for '3 Digit Sign Code' (set to 'P', '0', '6'), a dropdown menu for 'Fiscal Year' (set to '2018'), and a 'Find' button. Below the search fields, there is a red-bordered box containing a red document icon, the text 'Public Hearing Notice', 'Sign Code: P06', and 'Name: St. Charles Woods'. The right side of the screenshot is a large, empty grey area, likely a placeholder for search results or a map. The word 'Google' is partially visible at the bottom of the grey area.
