

West End

1. Consider the West End an extension of “Main Street” for streetscape planning.
2. Incorporate traffic calming into streetscape improvements throughout the West End.
3. Plan for long-term opportunities related to the West End Service property, should the current use change.

West End Main

“Central West End”

- Long-term opportunity
- Should private property owner desire to redevelop
- Floodplain restoration
- Open space
- New land uses integrated with surrounding neighborhoods
