Police seek public's help to locate missing elderly woman *Silver Alert issued*

Howard County police have issued a Silver Alert for a missing elderly woman.

Shirley Jean Kearney, 77, was last seen Wednesday, April 13, at approximately 3 p.m. by a family member as she left her residence in the 10800 block of Endfield Drive, Marriottsville. She was driving a silver 2007 Hyundai Sonata with Maryland tag 9BSA44.

She contacted a family member in the early morning on April 15 to say she was on her way home but she never arrived. Baltimore County police reported seeing her vehicle that afternoon around 4 p.m. in the area of Route 40 and Ingleside Avenue in Catonsville.

Police are concerned for her welfare as she has age-related health concerns.

She is described as a black female, 5 feet 7 inches tall and 176 pounds, with brown eyes and gray hair. She was last seen wearing red pants and a red and black flannel shirt.

Police urge anyone with information on Ms. Kearney or her vehicle to call 911.
