Police investigate fatal single-vehicle collision in Columbia

Howard County Police are investigating a fatal single-vehicle collision that occurred this morning in the 9300 block of Snowden River Parkway in Columbia.

Police were called to the scene at 7:24 a.m., after a 2013 Scion FR-S that was travelling northbound on Snowden River Parkway left the roadway and struck a tree. Preliminary investigation revealed that speed likely contributed to the collision.

The driver and sole occupant of the vehicle, Emmanuel Guillosoou, 21, of Bethesda, was pronounced dead at the scene.

Northbound Snowden River Parkway was closed for approximately four hours for the investigation.
