UPDATE: Ms. Glenn has been located **Police seek public's help to locate missing Laurel woman**

Howard County Police have issued a silver alert for a missing Laurel woman.

Michelle Monroe Glenn, 50, was last seen leaving her home in the 9500 block of Kings Grant Road in Laurel yesterday, Sept. 21 at 10:00 a.m. without money or identification. She was driving a tan 2000 Toyota Sienna with Maryland tag M339316.

Her family reported her missing after she did not return home on her own. Family members are concerned as this behavior is not normal for her and may indicate the reoccurrence of an existing underlying health issue.

Although her age does not fit the typical guidelines for a silver alert, police are issuing one in this instance due to these health concerns.

She is described as a black female, five feet seven inches tall, 160 pounds, with short straight black hair and a medium complexion. It is unknown what she was wearing when she left the house.

Police urge anyone with information on Ms. Glenn or her vehicle to call 911.
