Police investigating single-vehicle collision in Columbia

Howard County police are investigating a single-vehicle collision that occurred at 1:13 a.m. in Columbia.

A 2007 Nissan Versa was traveling on Guilford Road northbound just prior to Old Columbia Road when it left the roadway and struck a tree.

The driver and sole occupant of the vehicle, Danny Ivan Moreno, 25, of Silver Spring, was transported to the University of Maryland Shock Trauma Center in serious but stable condition.

Preliminary investigation has revealed that alcohol may have been a factor in the collision.

Guilford Road is closed between Kings Meade Way and Old Columbia Pike while HCPD's Traffic Enforcement Section continues the ongoing investigation.
