Allenford, Chamberlea Sewer Pumping Station Upgrades to Begin

ELLICOTT CITY, MD – A Howard County construction project to upgrade the Allenford (10068 Green Clover Drive) and Chamberlea (2855 Thornbrook Road) sewer pumping stations in Ellicott City is scheduled to begin on or about Monday, June 10. The project will include interior upgrades to electrical, mechanical, HVAC, piping and pumping units, as well as exterior improvements to station's roofing and facade. Weather permitting, the project is expected to be completed by mid-December.

The project is not expected to impact the flow of traffic in the area; however, signs will be posted at each site to advise motorists and residents of the construction.

For questions or concerns about Capital Project S-6264, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440 or email publicworks@howardcountymd.gov.
