Cardinal Lane Sewer Main Improvement Project Underway

ELLICOTT CITY, MD – A Howard County construction project to replace a deteriorating sewer main near 6445 Cardinal Lane in Village of Hickory Ridge in Columbia has begun. The project will replace approximately 670 linear feet of eight-inch cement sewer line with PVC plastic sewer line. Weather permitting, the project is expected to be completed by mid-November.

During the construction, Cardinal Lane will be closed to through traffic between Brass Knob and Quarterstaff Road. Residents at the affected addresses have been notified of the closure by the project manager. Signs will be posted and flagging operations will be in place to direct traffic during construction hours, Monday through Friday, 7:00 a.m. to 5:00 p.m.

For questions or concerns about Capital Project S-6276, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440 or email publicworks@howardcountymd.gov.
