## **Foundry Street Bridge Rehabilitation to Begin**

ELLICOTT CITY, MD – A Howard County construction project to rehabilitate the Foundry Street bridge over the Little Patuxent River in Savage is underway. The project will include repairs to the abutments and superstructure. Weather permitting, the project is expected to be completed by late October.

During the project, Foundry Street traffic will be restricted to a single lane over the bridge between the hours of 9:00 a.m. and 3 p.m., Monday through Friday. On-street parking restrictions will be enforced. Flagging operations will be in place to direct traffic as needed and signs will be posted to alert motorists of the construction.

For questions or concerns about Capital Project B-3853, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440 or email [publicworks@howardcountymd.gov](mailto:publicworks@howardcountymd.gov).
