## Spring Ridge Drainage Improvement Project to Begin

ELLICOTT CITY, MD – A Howard County construction project to improve backyard stormwater drainage along Springway Road in Ellicott City, is scheduled to begin on or about Monday, May 13. A storm drain will be installed with minor modifications to the stormwater management pond at Springway Road and Deerfield Drive. Weather permitting, the project is expected to be completed by early June.

While the project is not expected to impact the flow of traffic, signs will be posted to advise motorists of the construction.

For questions or concerns about Capital Project D-1166, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440 or email [publicworks@howardcountymd.gov](mailto:publicworks@howardcountymd.gov).
