St. Paul Street Sewer Connection Project to Begin

ELLICOTT CITY, MD – A Howard County construction project to connect 3758 St. Paul Street in Ellicott City to the County's public sewer main is expected to begin on or about Monday, January 27. The project will involve the installation of approximately 20 linear feet of four-inch main. Weather permitting, the project is expected to be completed by late February.

Signs and flagging operations will be in place to direct traffic as needed during construction hours, Monday through Friday, 9:00 a.m. to 4:00 p.m., as lane shifts are expected. Additionally, a portion of sidewalk adjacent to project will be closed to pedestrians during construction.

For questions or concerns about Capital Project S-6698, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440 or email publicworks@howardcountymd.gov.
