Twin Rivers Road Water Main Replacement Project to Begin

ELLICOTT CITY, MD – A Howard County construction project to remove and replace corroding water main along the eastbound lane of Twin Rivers Road between Governor Warfield Parkway and Harpers Farm Road in Columbia is scheduled to begin on or about Monday, February 17. Work will include the installation of 5,000 linear feet 12-inch water main. Weather permitting, the project is expected to be completed by mid-August 2020.

As temporary traffic delays can be expected throughout the project, signs and flagging operations will be in place to direct traffic as needed during construction hours, Monday through Friday, 8:00 a.m. to 4:00 p.m.

For questions or concerns about Capital Project W-8331, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440, or email publicworks@howardcountymd.gov.
