Willow Bend sewer replacement project to begin

ELLICOTT CITY, MD – A Howard County construction project to replace a portion of the public sewer near Willow Bend Court in Ellicott City is expected to begin on or about Tuesday, September 4. The project will include the installation of 710 linear feet of eight-inch ductile iron pipe and six four-foot standard precast manholes. Weather permitting, the project is expected to be completed by late November.

The project is not expected to impact the flow of traffic in the area; however, signs will be posted at the construction entrance at Gray Rock Drive to advise motorists of the construction.

For questions or concerns about Capital Project S-6268, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440 or email publicworks@howardcountymd.gov.
