James and Anne Robinson Nature Center

Frozen Fest - January 27, 2019

Description of Activities

Ice Cream Sandwich Bar

Ice cream in winter? Definitely! Join us to make your very own ice cream sandwich. **Pick up your ticket at the front desk!**

Meet a famous Ice Princess & her friends

Loved the movie, "Frozen"? Drama Learning Center will be on-site with the Ice Princess and some of her friends. They'll be roaming the building. Find them and snap a momento photo!

Wintry Craft

Make and take a crafty momento and adorable winter craft. (while supplies last.)

Photo Credit: Pam Franks

Frozen Experiments

Join us for a series of fun experiments using the power of the cold to do everything from shattering a flower to creating a mini-tornado. The full presentation of experiments lasts ~30 minutes.

Movies in the NatureSphere*

* *First-come, first-served. Arrive at the NatureSphere 15 min prior to showtime to pick up ticket.*

Zula Patrol - Under the Weather - Explore weather on Earth and in the Solar System with the Zula Patrol as they try to stop "Dark Truder" from using the weather to rule the Universe. 5 years+.

Titans of the Ice Age - Discover the megafauna of the past - from saber-toothed cats and cave bears to dire wolves and iconic woolly mammoths. 7 years+. *Content not recommended for young children.*

Snowball and Winter Bean Bag Toss

Enjoy indoor snowball games and challenges in the Children's Discovery Room!

Virtual Reality Tours of Icy Wonders

Though many of us will never make it to the North Pole, "visit" its wonders and several other icy locals through VR headsets. This activity is self-guided.

Marshmallow Roasting

Roast marshmallows 'round the fire (while supplies last)!

Snow play

Enjoy sensory bins full of "indoor" snow that never melts, but can be enjoyed by all ages. No jackets or mittens required!

Photo Credit: Pam Franks

Winter Wonderland Walks

Join staff for guided walks along the trail to discover the fascinating natural changes that occur in winter. Walks last ~30 to 45 minutes and will cover a little over half a mile of unsurfaced trail.

Roving Cold-blooded

Creatures

Get up close with live cold-blooded creatures including our snakes and turtles, as they rove around the building and exhibits with docent and staff handlers.
