

Mistletoe and Moonlight Makers Mart at Robinson Nature Center

November 22, 2019, 6-9:30 PM

Vendor Information and Application

Who We Are Looking For:

We are looking for all kinds of local makers, but especially those for whom your maker efforts support or encourage sustainability and the local economy. We are hoping to host a variety of vendors.

Who We Are Not Looking For:

This is not a market for resale or direct sales of national brands or products.

Is There a Fee to Participate?

Registration requires a small participation fee or in-kind donation (of product or service) we could use as a gift/raffle item at a future Robinson program. The fee for returning vendors (those who participated in the program last year) is \$10. For vendors new to this program the registration fee is \$15.

Alternatively, vendors may donate an item or items of equal or greater value to the registration fee in lieu of cash.

What Will the Setup Look Like?

Each vendor can have up to three 5 ft long tables inside Robinson Nature Center for the evening. Staff or volunteers will assist you with setup and breakdown, as needed. We will provide signage for your table space and a guide for shoppers.

Please consider bringing any educational information with you about your product or process, as patrons may be particularly interested in the how and what behind the items you are selling.

This All Sounds Great. How Do I Apply?

Please send your name, email address and a phone number to Marisa Olszewski, molszewski@howardcountymd.gov

In the email, please provide:

- (1) the title/name you would like to use for your vendor space, a brief description of your products and a price range for the items you plan to sell;
- (2) an example picture or two of your products/artwork;
- (3) any additional specific needs you have for set up, for example: space for an easel, a TV screen for display, access to electric, etc.
- (3) a favorite quote about nature or the fall season (These will be shared on the signage for each vendor space.)
