## ***Collection and Methods of Payment***

Payment for the field trip will be collected on the day of the field trip. Please bring payment with you. Field trips cannot be provided if payment is not received. To pay for your field trip, you can use cash, credit card or check. Please make all checks payable to "Director of Finance, Howard County."

## ***Refund Policy***

In some cases, Robinson Nature Center is able to issue refunds for payments if students are unable to attend due to sickness. If paying via cash or credit card, you will only be charged for the number of students and chaperones attending. If your organization cuts a check in advance of the field trip for payment, you must notify the Field Trip Coordinator on the day of your field trip if you would like to request a refund for any students that could not attend. We are able to issue refunds in excess of the cost of one student. We cannot issue refunds for the cost of one student or less. Refunds are issued in the form of a check.

## ***Cancellation Policy***

We recognize that you may wish to cancel for a variety of reasons, but our policy encourages early decisions as to not affect other schools. All cancellation requests must be submitted to the field trip coordinator in writing at least 30 days prior to the field trip. If a field trip is cancelled less than 30 days prior to the scheduled date, the cancellation will be subject to a 20% administrative fee. The fee is calculated based on the total cost of the scheduled field trip. This fee also applies to any field trip that is considered a "no-show" for their confirmed field trip date.

## ***Weather Policy***

Field trips will be held rain or shine. Though some alternative indoor activities may be incorporated on rainy days, most field trips will still include an outdoor component. Students should bring rain gear. The Nature Center will have a limited number of ponchos to loan to students that are inappropriately dressed for the weather.

In the case of a weather emergency, Robinson Nature Center follows the Howard County Public School System closure policy. If schools are closed, your field trip will be cancelled. Please call our front desk at 410-313-0400 from 9am – 5pm or our status line after hours at 410-313-4452. When calling our status line, select option 6 for Robinson Nature Center. We will leave a recorded message to let you know the status of the field trip. If your field trip is cancelled due to weather, we will work with you to determine if there is another date available for which you can reschedule. Please call the Field Trip Coordinator at 410-313-0410 to discuss rescheduling.

## ***Dividing Your Students into Groups***

The Group Roster form in this packet is provided as a planning tool for you if you wish to provide teachers and chaperones with information about students in the group to which they are assigned. If your field trip schedule indicates that your group will be divided for their field trip, please make sure to assign students to their groups prior to arrival at Robinson. Please review this information with students prior to arrival.

## ***Bus Arrival/Parking***

Buses will unload in the circle in front of the Nature Center. Parking is available on the circle, and in the rear of the parking lot to the right of the entrance. Upon arrival, Robinson staff will board each bus and direct field trip participants to a staging area where students will receive a brief orientation on rules and what to expect for their day. For larger groups, students will be asked to break into their field trip groups. The coordinating teacher will be asked to process field trip payment immediately following this orientation.

## Parent/Chaperone Field Trip Information Sheet

### Location of Field Trip

The Robinson Nature Center is located at 6692 Cedar Lane, Columbia, MD 21044. The Nature Center is operated by the Howard County Department of Recreation & Parks, and was made possible through the generosity and foresight of James and Anne Robinson and the James and Anne Robinson Foundation.

Robinson Nature Center is a LEED Platinum certified building that incorporates sustainable features such as porous concrete, solar panels, a green roof, rain gardens and locally-sourced materials. The center's nature trail provides views of the Middle Patuxent River and Simpsonville Mill ruins.

### Field Trip Activities

Your child's visit will include a hands-on classroom component, an outdoor investigation component, and time to explore the Nature Center's exhibits and Discovery Room. Some field trips also include a component in the NatureSphere digital planetarium space.

The hands-on classroom component and outdoor investigation will be led by trained Robinson personnel. The exploration of the Nature Center's exhibits and Discovery Room will be supervised by teachers and chaperones.

### Photographs

Your field trip group may be photographed for publicity purposes. Please notify us if you would not like your child to be photographed by calling the Robinson Nature Center Field Trip Coordinator at 410-313-0410.

### What should students and chaperones wear?

**Footwear:** Students and chaperones will be hiking along dirt trails and must be appropriately attired. Comfortable hiking footwear such as sneakers or hiking boots is essential. Please do not wear flip-flops, open-toe sandals or heels.

**Clothing:** Students and chaperones should dress in weather-appropriate and comfortable clothing. A light-colored cotton t-shirt and loose cotton pants or shorts are ideal in spring and summer, while a jacket or sweatshirt is recommended in the fall and winter. Bring rain gear if there is a chance of rain.

### What should students bring?

- A (reusable) bottle of water
- Rain gear (if it is raining or if there is a chance of rain)
- Extra layers of clothing (if it is cool or wet)
- Camera and/or binoculars (optional)
- If staying for lunch, we recommend bringing a waste-free lunch: <http://www.epa.gov/wastes/education/lunch.htm>

### What students should NOT bring:

- Hand-held video games (Gameboy, etc.), music players of any kind
- Cell phones are required to be on vibrate or off during their visit

### Planning a Family Visit to Robinson?

Robinson Nature Center provides many exciting activities for families including public programs, birthday parties, special events and volunteer opportunities. Robinson is open Wed. – Sat. from 9AM to 5PM and Sun. from Noon – 5PM. For more information, please visit [www.howardcountymd.gov/Robinsonnaturecenter.htm](http://www.howardcountymd.gov/Robinsonnaturecenter.htm).
