

45-Hour Infant & Toddlers Methods and Materials

15 Weeks: September 29 - December 15, 2016, 6:30 - 9:30 p.m.

Classes held at Office of Children and Families, 3300 N. Ridge Rd., Ste. 360, Ellicott City, MD

Course introduces the major concepts, theories, principles and research related to the development and care of children birth to age 3. Participants will learn how to create a safe and healthy child care environment while developing appropriate interaction and communication skills that will assist with learning and development.

This training satisfies the regulation for family providers who care or desire to care for more than two infants as well as Infant and Toddler staff in child care centers. Training modules are not approved for separate training hours and participants will receive a completion certificate at the end of the course. Satisfactory completion of series is determined by participation in classroom discussion and activities, homework and assessments.

SESSION DATES

To successfully complete the course, participants must attend the mandatory first and last sessions on 9/29 & 12/15 and a minimum of 13 out of the 15 sessions (documentation and homework required for absence approval). Most sessions are held on Thursdays, all Tuesday sessions indicated with a (*).
