Briefly describe the purpose and reason for the project:

The reason for this project is to provide safe, affordable living quarters with structure and accountability for persons newly recovering from substance-use disorder, (SUD). This new property will follow Living In Recovery's existing model, generating proven long term sobriety over the last decade, in Howard County.

The purpose is to match our start up capital, providing a down payment for real property. This initiative will provide 18 additional living quarters, for persons seeking long term recovery after completing SUD treatment.

Amount of Matching Fund:

Equal match (this also includes an amount higher than that of the bond requested)

Unequal match (less than the amount of the bond requested)

Amount of unequal match:
