

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2017 Continuum of Care (CoC) Program Competition. For more information see FY 2017 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2017 CoC Program NOFA and the FY 2016 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2016 Project Application will be imported into the FY 2017 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the FY 2016 post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2017 CoC Program Competition NOFA.

Additional Information

Now that you have completed Part 1 of the application, please review Parts 2-7, which are in Read Only mode. Screen 3C, which is mandatory for all PH-PSH projects and screens 6D, 7A and 7B which are mandatory for all projects will be editable and must be answered prior to submission.

Once you are done reviewing, you will be guided to a "Submissions without Changes" screen. At this screen if you decide no edits or updates are required to any screens other than the mandatory questions for 3C and/or 6D,7A and 7B, you are allowed to submit the application without ever needing to edit the rest of the application. However, if you determine that changes need to be made to the application, we have given you the ability to open up individual screens for edit, instead of the entire application.

Once you select the screens you want to edit via checkboxes, you will click "Save", and those screens will be available for edit. An important reminder, once you make those selections and click "Save", you cannot uncheck those boxes. You are allowed to select additional boxes even after saving your initial selections. Again, you must click "Save" for those newly selected screens to be available for edit.

If your project is a First Time Renewal, your project will not be able to utilize the "Submit Without Changes" function. The Submissions Without Changes page will be automatically set to "Make Changes" and you will be required to input data into the application for all required fields relevant to the component type.

1. Provide a description that addresses the entire scope of the proposed project.

Humanim, Inc. has been helping people live successfully in Howard County Maryland for more than 45 years. Our mission is “to identify those in greatest need and provide uncompromising human services.” We offer a wide array of programs to assist every aspect of people’s lives. Humanim’s envisions that all people in our community will have access to the human services that they need. We believe that a diversity of human services within one company fosters expedient access to care and encourages a holistic approach to services.

In 1970 the Developmental Services Group (DSG) was founded to improve the lives of the developmentally disabled through job development and vocational skills training. In 1998, the DSG merged with Vantage Place, a nonprofit dedicated to providing housing and support services to the chronic and persistently mental ill. This merger of workforce development and housing initiatives, two major components to ensuring self-sufficiency and quality of life, re-envisioned both organizations into one, Humanim, Inc. Today we serve thousands each year throughout Maryland and assist households to find and retain housing, as well as employment. We serve individuals with mental health diagnoses, substance abuse, those who are experiencing homelessness, developmental disabilities, as well as individuals living in poverty. We will continue to apply our years of experience by serving those who are experiencing chronic homelessness Howard County through this permanent supportive housing program.

In summer 2015, Humanim, Inc. was awarded the McKinney I Permanent Supportive Housing (PSH) Program as a Subrecipient. Since then, we have provided tenant based rental assistance (TBRA) to twenty-one scattered-site units for eligible households. Rental assistance includes annual recertification of adjusted income, rent calculation, annual housing inspections, and timely monthly payments to landlords for subsidy portions of contract rent. Partnerships have been fostered with landlords to support the household’s tenancy.

In addition to TBRA, Humanim offers intensive case management to all households in the program. Case managers meet with clients to assess their needs and provide referrals to assist them to maintain their housing. Support Services are offered, and are not required for participation in the program. Humanim uses the Self-Sufficiency Outcomes Matrix (SSOM) for each head of household, unless the qualifying person is a minor. This is completed at program entry for new households, at six month intervals, and upon exit from the program. This allows assessment of services and to document housing stable. The SSOM identifies areas for improvement and areas for referrals to partners with other agencies in Howard County’s CoC to support each household.

Dear Taxpayer:

This is in response to your Feb. 27, 2015, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in February 1973.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
