- B. Approval of Minutes for October 28, 2019 meeting
- Minutes approved with the following amendments: Replace CDI (Commission on Disability Issues) with CoD (Commission on Disabilities); page two of October minutes as well the e-mail address.
 - Motion to approve changes to the October 2019 minutes to change CDI to CoD – passed unanimously
- C. Report on December 2 Transportation Forum – Marian Vessels
Forum was well attended.
Issues Discussed
- Lifts on buses not effective
 - Increase bus stops in Howard County, consider rerouting
 - Recommended CoD should continue pushing the concern regarding accessibility of bus stops in Howard County.
- D. Report on December 3 Howard County Age-Friendly Initiative – Marian Vessels
What is Age-Friendly: The County Executive and OOAI launched the Age-Friendly plan in December, 2019. Age-Friendly Initiative is a three to five-year plan to join AARP network of age-friendly states and communities, an affiliate of the World Health Organization (WHO).

The Eight Domains to Age-Friendly Livability:

- Outdoor Spaces and Buildings Public places to gather — indoors and out – and accessible buildings Transportation Options Sidewalks and safe, crossable streets for pedestrians; dedicated bicycle lanes; and public transit options
- Housing options to meet the needs of those with differing incomes, ages and life stages
- Social Participation Access to a variety of affordable activities to combat social isolation
- Respect and Social Inclusion Intergenerational activities for young people and older adults to interact with and learn to value one another
- Work and Civic Engagement Opportunities for active community engagement through paid employment and meaningful volunteer options

- Communication and Information sharing through a variety of delivery methods, with respect for cultural and age-related differences
- Community and Health Services Assistance and affordable care options available for all ages

Marian asked Commission to consider choosing one or two of the eight domains and attend the Age-Friendly meetings to be held twice a month.

Marian reported that a possible role for the Commission to undertake is how to incorporate disability overlay into the perspective of the Age-Friendly initiative.

Commission will extend an invitation to invite Age-Friendly staff to a COD meeting.

III. Old Business

A. 2020 Meeting Dates

Motion to approve proposed 2020 meetings dates – passed unanimously. Three of the six full Commission meetings for 2020 will continue to be held at the Howard Building; the remaining three meetings will be held at alternate locations in the County. Erica will research and reserve accessible, alternate meeting spaces.

B. 2019 Annual Report

- Page 5 should recognize Brenda Kelly Fry receiving Leadership Award.
- Page 7 separation needed between March 12 and discussion
- Page 6 Lowe spelled incorrectly in heading

IV. Announcements

COD meetings:

- Future Virtual/electronic CoD meetings – All meetings are public meetings – in order to have those kinds of meetings there would need to be total accessibility for all. As of now we will continue to have all meetings face to face.
- Comments shared on school entrance security. School system needs a more effective way to communicate with public other than intercom system. Howard County School system needs to ensure that system is accessible.
- Suggestion made that the school system re-evaluate the evacuation process they currently have in place.
- Suggestion made that the Commission send a letter to Howard County School system outlining these issues as well as inviting the school system to attend a CoD meeting to discuss.

V. Adjournment

Commission meeting adjourned at 8:30pm

This document is available in an alternate format by request.

To request accommodations for participation in Commission meetings, please call 410-313-6402 (voice/relay) or send email to cod@howardcountymd.gov at least five days (excluding Saturdays, Sundays, and holidays) prior to the meeting date.
