

# ROBERT FULTON DRIVE

## Shared-Use Pathway

### From the Howard County Office of Transportation

You are invited to provide input on the preliminary design of a shared-use pathway along Robert Fulton Drive providing pedestrian and bicycle connections to Gateway Business Park.

Feedback provided by November 5, 2020 will be considered in the final design.

For more information on the project, including:

- a video of the recent public meeting,
- a presentation of the proposed design,
- a written summary of questions and answers from the meeting,
- and a link to provide feedback on the design
